

Regulation Code: 3410-R Testing and Assessment Program

REGULATIONS:

Testing and assessment for the Learning Environment for Advanced Programming (LEAP)

1. Parents/guardians of students enrolled in CHCCS or residing in the district at the time of the LEAP identification windows may nominate their children for consideration for district assessment for LEAP. The parents/guardians will submit the nomination to the District Coordinator for Gifted Education by the posted date.

If their child does not qualify for district assessment, the parents/guardians may present outside testing during the appropriate LEAP identification windows following the district testing guidelines. The LEAP identification window dates and guidelines for outside testing are available on the district webpage.
2. Parents/guardians of students who enroll or move to the district following the LEAP testing windows are not eligible for district assessment during the current school year. If they enroll or move to the district by June 1, the parents/guardians may provide outside testing results by June 1 to be considered for the LEAP program. The parents/guardians will submit the testing information to the District Coordinator for Gifted Education by June 1.
3. If a student enrolls or moves to the district after June 1, the parent can nominate their child for LEAP assessment during the LEAP identification windows the following school year. The LEAP identification window dates and guidelines for outside testing are available on the district webpage.
