

Policy Code: 6442 Vendor Lists

The board desires to provide opportunities to responsible suppliers to do business with the school district. To this end, the superintendent or designee will develop and maintain lists of potential vendors for the various types of materials, equipment and supplies which will be put out for bid.

The superintendent or his or her designee has the discretion to determine what vendors are included on the list and may establish standards for being placed on the list or for remaining on the list. The standards shall comply with the requirements of [GS 143C, art. 6A](#). The superintendent is encouraged to include vendors listed as historically underutilized businesses with the Division of Purchase and Contracts at the State Department of Administration.
