

Policy Code: 7110 Information Provided by Applicant or Employee

All information provided to the human resources office by an applicant for employment or by an employee must be true, accurate and complete to the best of that applicant's or employee's knowledge. Presenting information to the human resources department which is intended to defraud, falsify, materially misrepresent or conceal the truth will be considered just cause for terminating the application process or, as a violation of board policy, grounds for dismissing an employee.
