### I. FUNCTIONS

- A. The SIT develops, reviews, and amends School Improvement Plans (SIPs).
- B. The SIT provides input into the EOY Status Report on the SIP and will review the final report at the beginning of the school year.
- C. The SIT shall analyze student data, identify obstacles to student success, and develop SIP components that present solutions for student success.
- D. When there is a vacancy for the position of principal at a school, SIT representatives may participate in the selection process by serving or selecting representatives to serve on the interview committee that recommends candidates to the superintendent.
- E. The SIT may advocate for the schools at the local, state, and national level. However, an SIT should not endorse specific candidates for office. Individual SIT members are not restricted from endorsing candidates, running for office, or engaging in other political activity.
- F. It is recommended that each SIT assess its effectiveness in representing both parents and staff at least once during the school year.
- G. Training will be provided for interested SIT members.

### II. MEMBERSHIP

- 2. State law requires representation of parents/guardians of children at the school.
- 3. Every effort must be made to have the racial and socioeconomic diversity of the school community represented in the parent and staff membership of the SIT. Schools are encouraged to advertise SIT openings in forums that will draw the attention of diverse populations.
- 4. At a minimum, schools will have the following suggested representation of parents from grades:
  - a. Elementary – 2 (K-2 and 3-5)
  - b. Middle – 3 (Grades 6, 7 and 8)
  - c. High – 4 (Grades 9, 10, 11 and 12)

3. Student representatives must be selected in one of two ways, either elected by secret ballot of the students attending the school or as an expectation attached to a current student government position. This method of selection will be determined by the principal. **Student elections will be held in the fall.**
