

Policy Code: 5110 Relationship with County Commissioners

The board strives for a productive working relationship with the board of county commissioners. The board will seek opportunities to inform and educate the county commissioners about the needs of the schools, including through the development of ten year capital investment plans and the annual budget. The board welcomes periodic joint meetings between the boards as a means of strengthening the relationship with the board of county commissioners, clarifying expectations regarding the budget process, and educating the commissioners on the needs of the schools.

The superintendent is expected to strive for a productive working relationship with the county manager. The superintendent is encouraged to support and participate in periodic meetings among key administrative personnel of the school district and county government.
