

Policy Code: 5250 Raffles and Bingo Games

The board recognizes that community organizations and agencies may wish to conduct raffles or bingo games for the benefit of the school district. Raffles and bingo games that benefit the district may be conducted only as authorized by [G.S. 14-309.5](#) *et seq.* and pursuant to administrative regulations. The board will approve raffles and bingo games by authorized groups if the proceeds will be used to further educational goals or other school-related materials.

The school district may not conduct raffles or bingo games.
