

Policy Code: 3560 Multi-Cultural Education Program

The Board believes in the worth and dignity of every individual, and respects, honors and celebrates their uniqueness. Multi-cultural education is an interdisciplinary educational process designed to ensure the development of cultural awareness, curriculum infusion, recognition of human dignity and respect for each person's origins, rights and beliefs.

The superintendent will ensure inclusion of multi-cultural education in the curriculum to promote understanding and acceptance of differences and similarities between and among groups. Multi-cultural education will be infused into the local curriculum during curriculum development and revision. The district will develop criteria to be utilized in the development of curriculum and in the selection process for textbooks and instructional materials.
