

Policy Code: 4023/7233 Pregnant and Parenting Students and Employees

A. Students

The Chapel Hill-Carrboro Board of Education will provide all pregnant and parenting students with the same educational instruction, or its equivalent, including Homebound, as other students. Pregnant and parenting students shall not be discriminated against or excluded from school or any program, class, or extracurricular activity because they are pregnant or parenting students. The Board defines a parenting student as a student currently enrolled in school who is the legal, custodial parent of a child. School administrators shall provide assistance and support to encourage pregnant and parenting students to remain enrolled in school and graduate.

In accordance with State law, the district shall use, as needed, supplemental funds from the At-Risk Student Services allotment to support programs for pregnant and parenting students. Pregnant and parenting students shall be given excused absences from school for pregnancy and related conditions for the length of time the student's licensed healthcare provider finds medically necessary and for absences due to the illness or medical appointment, during school hours, of a child of whom the student is the legal, custodial parent. For reported illness of a child of the custodial parent, a note from the licensed healthcare provider must be presented to the school after three days of absence, documenting the medical need for school absence. Homework and make-up work shall be made available to pregnant and parenting students to ensure that they have the opportunity to keep current with assignments and avoid losing course credit because of their absence from school. To the extent necessary, a homebound teacher shall be assigned for a limited period of time.

B. Employees

The board prohibits discrimination in employment on the basis of pregnancy, childbirth, or related medical conditions. (See also policy 7232, Discrimination and Harassment in the Workplace.) Pregnant and nursing employees will be provided accommodations as required by law.

1. Reasonable Accommodations for Pregnancy-Related Limitations

In accordance with the Pregnant Workers Fairness Act, qualifying applicants and employees with known limitations related to pregnancy, childbirth, or related medical conditions will be provided reasonable accommodations unless the accommodation demonstrably would impose an undue hardship on the operation of the school system. No adverse action will be taken against an applicant or employee for requesting or using a reasonable accommodation.

The superintendent shall ensure that appropriate procedures are in place to implement this requirement.

2. Break Time to Express Milk

For one year after the birth of an employee's child, the employee will be provided reasonable break times to express breast milk for the child each time the employee has the need to express milk. The principal at each school and the site supervisor at other school system buildings and facilities will designate a place, other than a bathroom, that the employee may use to express milk. Any designated place must be functional as a space for expressing milk, shielded from view, and free from intrusion from others.
